

ONLINE ONE WEEK ART THERAPY FOUNDATION COURSE – 2023

This course is intended for people who may consider art therapy as a career and want to train as an Art Therapist. It is also useful for healthcare workers who want to gain a better understanding of art within a care context. This course offers an opportunity to gain a deeper understanding of art therapy with different client groups. No previous formal experience of art making is required, but it is important to be prepared to take part in the **art making sessions integrated within each session.**
